Welcome. Join CISO peers in Windsor.

Securing Tomorrow, Navigating Complexity, Driving Resilience.

We are thrilled to unveil the organic programme for **CISO 360 UK & Ireland 2025**, that will be hosted by Pulse Conferences in the historic setting of Windsor on 18–19 March 2025.

We cordially invite you to join CISOs and senior cybersecurity practitioners and luminaries for energetic and impactful discussions that are focused on core priorities currently faced by CISOs and cybersecurity practitioners, and on areas that aim to take you outside the immediate security sphere of experience.

CISOs will share their strategies, exploring emerging trends, and benchmarking the latest tools and tactics to address the rapidly evolving cybersecurity landscape through case stories, fireside chats, focus groups and the AI and Quantum Roundtable, on the afternoon of 18 March.

Beyond the sessions, the CISO 360 UKI experience extends into immersive evening networking events, an exclusive dinner at Brown's, just a short walk away—offering the perfect backdrop for forging meaningful connections and strengthening the cybersecurity community.

Join us in Windsor for an unparalleled opportunity to engage, collaborate!

Delegate Inclusions: Lunches, Dinner (18 March), Refreshments, Materials, Gallery, Video, Certificate...
